Preface

This publication contains the names of alien members of the administrative and technical staffs as well as service staffs of the diplomatic missions who are not permanent residents of the United States and who enjoy immunity under provisions of the Vienna Convention on Diplomatic Relations. *Asterisks identify members of the service staff.*

Except as provided under special bilateral arrangements as described below, personnel of diplomatic missions shall enjoy the following immunity:

1. *Members of the administrative and technical staffs*, together with members of their families forming part of their respective households, who are not nationals of or permanently resident in the United States, are immune from criminal jurisdiction and from civil and administrative jurisdiction respecting acts performed in the course of their duties in accordance with the provisions of Articles 31 and 37(2) of the Vienna Convention.

2. *Members of the service staff* are immune from jurisdiction respecting acts performed in the course of their duties in accordance with the provisions of Article 37(3) of the Vienna Convention.

Personnel of the Embassies of the Union of Soviet Socialist Republics and the People's Republic of China, whose names appear in this publication, and members of their families, enjoy immunity provided by Article 31 of the Vienna Convention on Diplomatic Relations pursuant to agreements concluded by exchanges of notes on December 14, 1978, and January 5, 1981, respectively. They are therefore immune from criminal jurisdiction and from civil and administrative jurisdiction except in the following actions:

(a) A real action relating to private immovable property situated in the territory of the receiving State, unless he or she holds it on behalf of the sending State for the purpose of the mission;

(b) An action relating to succession in which the diplomatic agent is involved as executor, administrator, heir, or legatee as a private person and not on behalf of the sending State;

(c) An action relating to any professional or commercial activity exercised by the diplomatic agent in the receiving State outside his or her functions.
